## Livin' Easy™ Rose

***Rosa 'HARwelcome'***

Height: 5 feet

Spread: 4 feet

Sunlight:

Hardiness Zone: 5b

Group/Class: Floribunda Rose

**Description:**

Scrumptious flowers of showy apricot orange will stand out in your landscaping with this wonderful hardy and vigorous floribunda; blooms up a storm throughout the season and is notably durable for a rose

**Ornamental Features**

Livin' Easy Rose is clothed in stunning lightly-scented double orange flowers at the ends of the branches from late spring to mid fall. The flowers are excellent for cutting. It has dark green deciduous foliage. The glossy oval compound leaves do not develop any appreciable fall color. The fruits are showy red hips displayed in late fall.

**Landscape Attributes**

Livin' Easy Rose is a multi-stemmed deciduous shrub with an upright spreading habit of growth. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This is a high maintenance shrub that will require regular care and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Disease
- Spiny

Livin' Easy Rose is recommended for the following landscape applications;

- Accent
- Mass Planting
- Hedges/Screening
- General Garden Use

**Planting & Growing**

Livin' Easy Rose will grow to be about 5 feet tall at maturity, with a spread of 4 feet. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front, and is suitable for planting under power lines. It grows at a fast rate, and under ideal conditions can be expected to live for approximately 20 years.

This shrub should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil type or pH. It is somewhat tolerant of urban pollution. This particular variety is an interspecific hybrid.
